Columbus Numismatic Society/Central Ohio International Numismatic Society

November 2003 Meeting Announcement

Next Meeting

Wednesday, November 19, 2003 at 7:00 P M

Location

Grandview Heights High School
1587 W. 3rd Avenue
614-481-3620
1st floor cafeteria

High school is located on 3rd Ave. where North Star Rd. dead-ends into 3rd. Parking is available. This is a great venue for our meetings: good location, centrally located, real tables and chairs, adequate lighting, no basketball game next door, no more restaurants (until the Christmas dinner). As always, plenty of time to socialize while we serve refreshments. Really, no reason not to show up!

Jackpot drawing this month

It's building up again! John Fiano's name was drawn for the \$65 jackpot but, unfortunately, John was not present to win. The \$65 rolls over into a new jackpot this month and, remember, you must be present to win!

Door Prizes

Fabulous, valuable door prizes are given away at every meeting. Don't miss out! October winners included Curtis Coe, Steve Barnett, and yours truly (finally).

Coin Show Calendar

We are in the midst of a very strong, very active coin market. Plan on attending one of these nearby shows:
Thurs-Sat., Nov. 20-22 – Ohio Coin Expo, Cleveland
Friday-Sunday, Nov. 28-30 – Michigan State Show
Sunday, November 30 – Cincinnati Greenhills Show
Friday, December 5 – Washington C.H. (usually has 4-6 coin dealers, including the big shots from Silvertowne)
Sunday, December 7 – Dayton Holiday Inn Show
Sunday, December 21 – Toledo Blue Ribbon Show

By the Way.....

The Clark County Show in Springfield was held Sunday November 9th, an easy drive one hour from Columbus, which would include the north end. Where were y'all?

Auction

This meeting will feature our largest auction ever at 100 lots, including a number of new consignors who have finally seen the light. Many lots sell at very reasonable prices, so go over the enclosed list. Your bids help to support the club so we encourage your participation as a buyer, seller, or both.

November Educational Program

Tom Noe will speak on his experiences as chairman of the Ohio State quarter committee and his recent appointment to the new federal level Commemorative Coin Action Committee. Plan on attending what promises to be a very interesting presentation!

Show and Tell

Whatcha bought lately? Bring your new stuff and show off your new treasures and brag a little.

The Club

We're the Radio Shack of Numismatics: You have questions, we have answers!
